DYNAMICCONTENTS / TOKYO DEMO / V4

How the demo unfolds

One street. Two controllers. About five minutes.

PLAYER Play a stamp rally

BRAND Book venues with demo credits

Demo clock: 1 demo hour = 1 real minute

Planned experience

0:00

01 PLAYER

Start the stamp rally

Pick a profile. Collect tokens and earn stamps by playing activities inside venues.

↓

0:30

02 BRAND

Book a place on the street

Compare footfall and bids. Choose a slot, building and hours. Checks pass; win a 3-hour booking.

↓

1:30

03 PLAYER

A new venue appears

Follow the “new venue” ping. Walk in and explore. The game carries on without a loading screen.

↓

2:15

04 PLAYER + BRAND

Play the activity. See the results.

Player works toward a stamp. Brand watches live views, visits and time spent in the venue.

↓

3:15

05 BRAND

Send the Season 2 update

Player is still inside, at 3 of 5 tokens. The update waits until the Player leaves.

↓

06 PLAYER

Walk out, then back in

Season 2 replaces the venue after exit.
Progress is still 3 of 5 tokens.

↓

4:30

07 PLAYER + BRAND

The booking runs out

The next auction brings back the original venue.
Earned stamps stay; the swap waits if the Player is inside.

↓

END

08 BOOTH

Reset for the next visitor

Reset the booking, credits, stamps and progress.
Return to the idle street with the game still running.

The building changes. The Player keeps playing.

Main route shown. Times are approximate; the booking lasts 3 real minutes from the win.
